Applications

Atlantic is a complete product with a triple action: detergent, deodorising and perfuming.

Atlantic is ideal for cleaning and deodorizing schools, canteens, communities, bars, hotels, restaurants, clinics, food industries, swimming pools and rubbish dumps.

After use, it leaves an excellent fragrance in the surrounding.

Atlantic is formulated in accordance with EC Regulation no. 648/2004 and is therefore more than 90% biodegradable.

Method of Use

The product should be diluted with water in a 1:10 proportion for very contaminated environments and 1:20 for a normal use.

Atlantic is used by impregnating a cloth or a sponge or dispensing it directly on the parts to be treated.

Rinsing is not necessary.

Product for professional use. The manufacturer declines all responsibility for any damage caused by an improper use of the product.
