Applications

POOL is an all purpose concentrated cleaner created in Italy by Chemical Roadmaster.

Pool is superconcentrated and is worth up to 15 liters of ready-to-use cleaner .

Thanks to its formula, POOL is fast acting, safe and effective on every surface.

POOL is easy to use and removes completely grease, oil, wax, ink and stubborn dirt in general. Rinsing mostly is not necessary.

Thanks to these features POOL can be used for all needs of domestic and professional cleaning.

See the following chart for instructions.

Instructions for use

Pool must be diluted with tap water depending on the intended use and then applied with its rechargeable trigger and a mop.
